Summary Document #: 559777215383

IMPORTANT INFORMATION: All benefits are based on the appropriate level of care and medical necessity guidelines. Provider/facility licensure by the state to provide covered services and facility accreditation by The Joint Commission or CARF is required.

Calendar Year Deductible	**$500** Per Person Per Year with a **Three (3)** Member Family Maximum 4th Quarter Carryover Deductible: Any covered expenses incurred in the last 3 months of any benefit period which may have been allocated toward all or a portion of the Calendar Year Deductible for that year may also be allocated toward next year's Calendar Year Deductible
Calendar Year Out-of-Pocket	**$9,200** Individual / **$18,400** Aggregate Family Maximum

1. Your calendar year deductible counts toward your out-of-pocket maximum.
2. The deductible amounts for mental health and substance abuse combine with medical for total deductible.
3. The family calendar year deductible and out-of-pocket maximum is embedded, meaning that each member has his or her own deductible/out-of-pocket maximum in addition to the shared family deductible/out-of-pocket maximum. Any amount paid toward an individual's deductible/out-of-pocket maximum also applies toward the family's deductible/out-of-pocket maximum. This allows individuals in the family to have their costs covered before the family deductible/out-of-pocket maximum has been met. Once the family deductible/out-of-pocket maximum is met, the plan covers charges for any family member.
4. **Deductible Carryover:** When covered charges are applied towards the calendar year deductible for services rendered in October, November, or December, those covered charges will be credited towards the calendar year deductible for the following year.
