For a Backstage Tour of the
Chick-fil-A SUPPORT CENTER

Join WPB as we travel via charter bus for lunch and a tour at Chick-fil-A's original "Dwarf House" restaurant in Hapeville, Georgia. After lunch, we'll head to the Chick-fil-A Support Center for a deluxe, guided Backstage Tour where we'll enjoy a fun, storytelling experience about the fascinating history, culture, and values of Founder S. Truett Cathy. We'll learn more about Chick-fil-A's unique business model, the "Eat Mor Chikin" Cows, and so much more! After a tour of the history museum, we'll take a quick shuttle ride to see new product development in "The Kitchen," visit the "Nest" innovation center, and learn more about the Chick-fil-A Foundation.
